Proposed Appointments:

The following appointments to the Board are proposed:

Approval of the shareholders is being sought for the appointment of Mr. A.Ayodhya Rami Reddy as Director (executive Chairman) of the Company, who retire by rotation at the ensuing Annual General Meeting of the Company and being eligible offer himself for re-appointment in accordance with the provisions of the Companies Act and pursuant to Articles of Association of the Company. Your Board recommends his re- appointment.

Mr. G. Krishna Kumar was inducted as an Additional Director on the Board. As per the provisions of Section 161 of the Companies Act, 2013, he holds office only up to the date of the Annual General Meeting of the Company. Approval of the Shareholders is being sought for his appointment as Director (Non Executive) in the ensuing Annual General Meeting pursuant to the provisions of the Section 160 of the Companies Act, 2013. Being eligible, the Board recommends his appointment.

In terms of Sections 149, 152, Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014, the Independent Directors can hold office for a term of up to five (5) consecutive years on the Board of Directors of your Company and are not liable to retire by rotation. Accordingly, Mrs.A.Rama Devi was appointed as Additional and Independent Director of your Company up to 5 (five) consecutive years.

Appropriate resolutions for the appointment/re-appointment of Directors are being placed before you for your approval at the ensuing Annual General Meeting. The brief resume of the aforesaid Directors and other information have been detailed in the Notice. Your Directors recommend their appointment/reappointment as Directors of your Company.

Resignation

Mr. Rajiv Maliwal, Mr. V.Harish Kumar, Mr. Rajasekhara Reddy and Dr Archana Niranjani Hingorani, Directors of the company submitted their resignation vide letter dated 13 November 2014. The board of directors at their meeting held 13 November 2014 have accepted the same and placed on record its sincere appreciation for the services rendered to the company.

Board evaluation and assessment:

The company believes formal evaluation of the board and of the individual directors, on an annual basis, is a potentially effective way to respond to the demand for greater board accountability and effectiveness. For the company, evaluation provides an ongoing means for directors to assess their individual and collective performance and effectiveness. In addition to greater board accountability, evaluation of board members helps in;

- a. More effective board process
- b. Better collaboration and communication
- c. Greater clarity with regard to members roles and responsibilities
- d. Improved chairman - managing directors and board relations

The evaluation process covers the following aspects

- Self evaluation of directors
- Evaluation of the performance and effectiveness of the board
- Evaluation of the performance and effectiveness of the committees
- Feedback from the non executive directors to the chairman
- Feedback on management support to the board.

Familiarisation Programme for Independent Directors

The Company shall through its Senior Managerial personnel familiarise the Independent Directors with the strategy, operations and functions of the Company. The Independent Directors will also be familiarised with their roles, rights and responsibilities and orientation on Statutory Compliances as a Board Member.

On appointment of the Independent Directors, they will be asked to get familiarised about the Company's operations and businesses. An Interaction with the key executives of the Company is also facilitated to make them more familiar with the operations carried by the company. Detailed presentations on the business of the company are also made to the Directors. MANAGEMENT REPLIES TO AUDITORS REPORT - STANDALONE AND CONSOLIDATED FINANCIAL REPORTS:

With reference to observations made in Auditor's Report, the notes of account is self-explanatory and therefore do not call for any further comments. The results for the year ended March 31, 2015 have been subjected to an audit by the Statutory Auditors of the Company and a qualified report has been issued by them thereon

Qualifications matters - Standalone and consolidated financials

1. With respect to the deferred tax assets amounting to ₹ 409.08 Crore :

The Company has recognized deferred tax asset on unabsorbed depreciation, business losses and other timing differences incurred by the Company during the year. Based on estimated realization of reasonable margin on existing contracts on hand and future contracts, the Management is confident of sufficient future taxable income for realization of deferred tax assets.

2. Impact of floods on one of the Company's project in Srinagar, Jammu and Kashmir

The Company has lodged an insurance claim in this regard and the management is confident of realising the insurance claim and therefore there will be no consequential material adjustment for loss of project materials and assets will be required.

3. The statutory auditors of the Company have also drawn Emphasis in their review report (Standalone and consolidated financials) with respect to

a. Material uncertainties over the realisability of certain construction work in progress, trade receivables and loans and advances aggregating to ₹ 580.78 crores, which are subject matters of arbitration proceedings/ negotiations

The Management of the Company, keeping in view the long term nature of the contracts, terms and condition implicit in these contracts and the ongoing discussion based on which steps to recover are currently in process, is confident of recovering the amount as they are contractually tenable.

4. Other observations - Statutory Compliances:

a. Delays caused in remitting the statutory dues towards Provident Fund, Employees State Insurance, Income tax deducted at source, Works contract Tax deducted at source, Sales tax and Service Tax to the concerned authorities is primarily due to non realization of trade receivables, retention and advances from clients and other authorities due to arbitrations/disputes due to which the company is facing severe liquidity crisis. However we are able to address the crisis through restructure arrangement with existing lenders, the restructure package

inter-alia includes for funding of such dues whereby we can clear the dues

b. Defaulted in repayment of dues to bankers : The default in repayment of dues to the banks have been regularised post restructure arrangement with lenders of the company under JLF.

5. Emphasis matters in consolidated financials

a. the uncertainty in connection with the charge sheet filed by Central Bureau of Investigation (CBI) and attachment order of the Enforcement Directorate in respect of certain assets of the company.

The Management believes that the project of Ramky Pharma City (India) Limited (RPCIL) is being carried out in accordance with the provisions of the Concession Agreement executed between RPCIL and Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) after obtaining the requisite approvals and following the due process of law.

b. in respect of the insurance claim filed by the Company, towards loss caused by HUDHUD cyclone in Pharma City.

The Company has lodged an insurance claim in this regard and the management is confident of realising the insurance claim and therefore there will be no loss caused by HUDHUD cyclone in Pharma City.

c. With respect of contract terminated/foreclosed by certain subsidiaries and no business being carried out by a subsidiary and no business in hand which affect the going concern assumption of those companies- notes of account is self-explanatory and therefore do not call for any further comments

d. Revenue and receivables of ₹ 408.96 crores, recognised on the basis of fair value of consideration for construction services and the effective interest rate in the case of financial assets covered under service concession arrangements.

As per the Draft Guidance note on Service Concession Arrangements, the company has accounted for service concession arrangements for applicable BOT projects.

INDUSTRIAL RELATIONS

The company enjoyed cordial relations with its employees during the year under review and the Board appreciates the employees across the cadres for their dedicated service to the Company, and looks forward to their continued support and higher level of productivity for achieving the targets set for the future.

- (10) Factories Act, 1948;
- (11) The Minimum Wages Act, 1948;
- (12) The Equal Remuneration Act, 1976; and
- (13) The Contract Labour (Regulation & Abolition) Act, 1970;

I have also examined compliance with the applicable clauses of the following:

- i. The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited and National Stock Exchange of India Limited;
During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above;

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.
- The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, their being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that as on March 31, 2015, undisputed dues in respect Provident Fund, Employees State Insurance and Gratuity, have not been regularly deposited with the appropriate authorities and there have been delays in number of cases.

Management Discussion and Analysis

INFRASTRUCTURE INDUSTRY – AN OVERVIEW & OUTLOOK

The construction industry is an integral part of the economy, contributing at about 10 per cent of GDP and is also the second biggest seasonal employment provider which employs an estimated 35 million people and is a significant driver of FDI Inflows after agriculture. It has seen sustained demand from the Industrial & Real estate sector. GDP from construction in India increased to 2079.94 IND Billion in the first quarter of 2015 from 1975.08 IND Billion in the 4th quarter of 2014. GDP from construction in India averaged 1914.50 IND Billion from 2011 until 2015, reaching an all-time high of 2079.94 IND Billion in the first quarter of 2015 & a record low of 1736.49 IND Billion in the 3rd quarter of 2012.

Finance Minister Arun Jaitley Said it was “absolutely clear that the economy is in the recovery mode” after showed that the economy grew at 7.3 percent in 2014-15. The Country posted a 7.5 percent growth in the Jan to Mar quarter of the Fiscal, outpacing China's GDP of 7 percent in that quarter (CSO) stated.

“The data indicates that growth momentum has picked up under Prime Minister Narendra Modi's regime.”

India's building, construction and real estate sector will add 7.65 crore new jobs by 2022, and Over the last five years, under NSDC, more than 5 million (cumulatively) workers have been skilled and more than 1,537,657 (cumulatively) placed according to a report by National Skill Development Corporation (NSDC). The sector will require skilled manpower to meet rapidly growing demand for affordable housing, expansion of IT and financial services into tier-II and tier-III cities, investment in key infrastructure segments such as power, road, railways, ports and civil aviation, and demand for warehousing space.

Development of Urban infrastructure will continue to play a key role in the structural transformation of India's economy. An investment outlay of over ₹ 70 Lakh Crore is anticipated mainly in affordable housing, urban roads & transportation for India's rapid urbanisation over the next 2 decades, which will not only lead to a progressive but also transform India's outlook & realise its true potential. This investment outlay will create a huge demand in various core & ancillary sectors causing a multiplier effect through inter – linkages between 254 Industries including those in Infrastructure, Logistics & Modern retail.

The Planning Commission of India has already pledged to invest around \$1 trillion in the five-year plan (2012-2017). Indian Ministry of Roads and Transport outlined plans for \$120bn worth of road-widening projects. There are also plans for \$60bn to be invested in India's ports by 2020.

Unit sale of construction equipment in India is expected to grow to 82,000 by 2016. The construction equipment industry's revenues are estimated to reach \$22.7bn by 2020 from \$5.1bn in 2012. In addition to reduced building costs, Indian government now has more money to spend, that it had allocated to oil.

The Government of India announced its “One Hundred Smart Cities” initiative in the Union Budget 2014-15. The project involves development of satellite towns of larger cities by modernising the existing mid-sized cities in the country. Indian government has allocated \$1.2bn in the current fiscal year for the project.

The Modi government has eased Foreign Direct Investment (FDI) rules for the construction sector in a move to attract more money into the country to build new hotels, housing and townships. Under the new rules, foreign investment is now allowed in projects with a minimum built area of 20,000 square metres, down from a previous 50,000 threshold. The minimum capital investment by foreign companies has been halved to \$5 million.

Overall, the industry expects a growth rate of 7 – 8% per annum over the next 10 years.

RISKS AND CONCERNS:

Risk is a multi-facet concept. In the context of construction industry, it could be the likelihood of the occurrence of a definite event/factor or combination of events/factors which occur during the whole process of construction to the detriment of the project a lack of predictability about structure outcome or consequences in a decision or planning situation, the uncertainty associated with estimates of outcomes – there is a chance that results could be better than expected as well as worse than expected etc. In addition to the different definitions of risk, there are various ways for categorizing risk for different purposes too. Some categorize risks in construction projects broadly into external risks and internal risks while others classify risk in more detailed categories of political risk, financial risk, market risk, intellectual property risk, social risk, safety risk, etc. The typology of the risks seems to depend mainly upon whether the project is local (domestic) or international. The internal risks are relevant to all projects irrespective of whether they are local or international. International projects tend to be subjected to the external risk such as unawareness of the social conditions, economic and political scenarios, unknown and new

procedural formalities, regulatory framework and governing authority, etc. Risk is inherent and difficult to deal with, and this requires a proper management framework both of theoretical and practical meanings. Significant improvement to construction project management performance may be achieved from adopting the process of risk assessment. The types of exposure to risk that an organization is faced with are wide-ranging and vary from one organization to another. These exposures could be the risk of business failure, the risk of project financial losses, the occurrences of major construction accidents, default of business associates and dispute and organization risks. It is desirable to understand and identify the risks as early as possible, so that suitable strategy can be implemented to retain particular risks or to transfer them to minimize any likely negative aspect they may have. The risk management process begins with the initial identification of the relevant and potential risks associated with the construction project. It is of considerable importance since the process of risk analysis and response management may only be performed on identified potential risks. Risk analysis and evaluation is the intermediate process between risk identification and management. It incorporates uncertainty in a quantitative and qualitative manner to evaluate the potential impact of risk. The evaluation should generally concentrate on risks with high probabilities, high financial consequences or combinations thereof which yield a substantial financial impact.

Once the risks of a project have been identified and analyzed, an appropriate method of treating risk must be adopted. Within a framework of risk management, contractors also should decide how to handle or treat each risk and formulate suitable risk treatment strategies or mitigation measures. These mitigation measures are generally based on the nature and potential consequences of the risk. The main objective is to remove as much as possible the potential impact and to increase the level of control of risk. More the control of one mitigation measure on one risk, the more effective the measure of risk the process of risk management does not aim to remove completely all risks from a project. Its objective is to develop an organized framework to assist decision makers to manage the risks, especially the critical ones, effectively and efficiently.

Risks can be viewed as business, technical, or operational. A technical risk is the inability to build the product that will satisfy requirements. An operational risk is the inability of the customer to work with core team members. Risks are either acceptable or unacceptable. An acceptable risk is one that negatively affects a task on the non-critical path. An unacceptable risk is one that negatively affects the critical path. Risks are either short or long term. A short-term risk has an immediate impact, such as changing the requirements for a deliverable. A long-term risk has an impact sometime in the distant future, such as releasing a product without adequate testing. Risks are viewed as either manageable or unmanageable. A manageable risk is one you can live with, such as a minor requirement change. An unmanageable risk is impossible to accommodate, such as a huge turnover of core team members. Risk factors for this study are classified into eight categories namely,

- Construction Risk
- Design Risk
- Environmental Risk
- Financial Risk
- Management Risk
- Political Risk
- Procurement Risk
- Sub-Contractors Risk
- Technology Risk.

Construction Risk:

- Disputes between labours
- Changing sequences in construction activity
- Non availability of resources
- Revision of design
- Availability of camp for labours
- Change in quantities of work
- In Time work permissions for executing work

- Safety of workers
- Stoppage of work due to Medical outbreak

Design Risk:

- Late changes of design from client side
- Will the level of details of design delivered by the owner affect over all construction time?
- Improper specifications
- Inadequate and incomplete design

Environmental Risk:

- Impact of weather condition on completion of project
- Pollution by construction waste
- Procedure to facilitate construction waste clean-up or disposal

Financial Risk:

- Delay from clients
- Increment for staff benefits
- Unprecedented price in raw materials
- Fluctuations in Estimated finance than expected

Management Risk:

- Documents and process directed as per agreement for mitigation of risk
- Project team discussions on risk
- Use of WBS and project milestones to help identify project risks
- Time for planning
- Loosing of critical staff at crucial point of construction
- Documented process for identifying project risks

Political Risk:

- Pressure from any political party
- Local bodies (political/rowdies) compelling to use their resources
- Union Issue

Procurement Risk:

- Temporary demand of increase in price of materials
- Specialized labour for fixation/Installation
- Is there a chance of procurement team to know the sales chart of client?

Sub-Contractors Risk

- Chances of sub-contractor walk out
- Delay in work execution of sub-contractor
- Revision of price

Technology Risk

- Knowledge on equipment's
- Service for damaged equipment's
- Loss of data or software/hardware of computer

The construction companies need to include risk as an integral part of their project management. Decision making such as risk assessment in construction projects is very important in the construction management. The identification and assessment of project risk are the critical procedures for projecting success.

To keep constant check on cost structure and to provide adequate financial and accounting controls and implement accounting standards

HUMAN RESOURCES DEVELOPMENT:

Human Resource Department has been partnering with the business in portraying the image of the organization. Revisiting HR basics and team building is the need of the day. Restructuring of the team and its modus operandi

Despite economic turmoil and uncertain Industrial Scenario, refurbished HR Strategies adopted by our organization created buzz in the industry and well received by our employees. We have put faith in our resources and they are reciprocating with the same zeal through enhanced productivity.

All resources effectively adopted Job enlargement and enrichment, making it a lean and swift organization. We take pride in saying Ramky Infrastructure Limited is an Equal Opportunity Employer.

The total employee strength was 837, as on 31.03.15. Technical workforce with engineering background comprises 62% of the workforce while average age of employee was 34 years.

The Company continues to invest in talent development through a well-established academic interface programme, providing internships, inducting leadership pipeline through campus recruitments, in-house classroom-based training and OJTs.

Workforce well-being remained a priority and we continues to invest in various initiatives starting from comprehensive health insurance for its employees, life insurance and other standard associated welfare activities in the industry.

HR compliance is approached from both reactive and proactive standpoints. HR continues to track the changes in employment and labour laws in the country for statutory compliance. Reactive compliance efforts focus on preventing, limiting or mitigating the risks and liabilities. Proactive compliance initiatives are considering measures such as changes in policies and procedures as well as changes in the legal environment for mitigating future risks, and enhancing the compliance awareness of our leaders.

To inculcate the spirit of camaraderie, various events were conducted regularly where in employees & their families had an opportunity to understand the finer aspects of competition, recognitions and teamwork.

Open house meetings, skip level meetings and group interactions, enhanced the alignment in the Company, accelerating the thrust and drive to reach farther than others.

viii. Green Initiative for Paperless Communications:

The Ministry of Corporate Affairs ("MCA") has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by Companies through electronic mode. In accordance with the recent circular bearing no.17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 issued by the Ministry of Corporate Affairs, Companies can now send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses of the shareholders. This is a golden opportunity for every shareholder of the Company to contribute to the Corporate Social Responsibility initiative of the Company.

This move by the Ministry is a welcome move, since it will benefit the society at large through reduction in paper consumption and contribution towards a greener environment. Additionally, it will avoid loss in postal transit, save time, energy and costs.

Pursuant to the said circular, the company has forwarded e-mail communication on June 13, 2011 to all share holders whose email id were registered in the Depository records that the company intends to use the said e-mail id to send various Notices/ Correspondences etc .

By Understanding the underlying theme of the above circulars, to support this green initiative of the Government in full measure, the company is sending the documents like notice convening general meetings, financial statements, directors reports, auditor's report etc to the email address registered with the depositories by the share holders holding shares in electronic form and for shareholders holding shares in physical form, the physical copy to the address registered with the Registrar and Share transfer Agents of the Company.

In this regard, we request share holders who have not registered their email addresses, so far to register their email addresses, in respect of electronic holding with depository through their concerned depository participants and Members who hold shares in physical form are requested to send the required details to the Registrar and Share Transfer Agent, M/s. Karvy Computershare Private Limited at Karvy Selenium, Tower B, Plot No 31 & 32, Gachibowli Financial District, Nanakramguda, Hyderabad - 500032.

Certificate on Corporate Governance

To the Members of

Ramky Infrastructure Limited

Ramky Grandiose, 15th Floor, Sy No 136/2 & 4,

Gachibowli, Hyderabad - 500 032

I have examined the compliance of conditions of Corporate Governance by Ramky Infrastructure Limited ("the Company") for the year ended March 31, 2015, as stipulated in Clause 49 of the Listing Agreement entered into by the Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to review the procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

The Members of
RAMKY INFRASTRUCTURE LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **RAMKY INFRASTRUCTURE LIMITED ("the Company")**, which comprise the Balance sheet as at March 31, 2015, the Statement of profit and loss, cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit while conducting the audit we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

We refer to:

1. Note 31 of the financial statements with regard to recognition of deferred tax assets amounting to ₹ 409.08 Crore, on unabsorbed depreciation, business losses and other timing differences incurred by the Company. Based on unexecuted orders on hand, the Management is confident that sufficient future taxable income will be available against which such deferred tax assets will be realised. However, in our opinion, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, "Accounting for Taxes on Income" (AS 22). Had the aforesaid deferred tax assets not been recognised, loss after tax for the year ended would have been higher by ₹ 409.08 Crore.
2. Note 32 of the financial statements with regard to impact of floods on one of the Company's project in Srinagar, Jammu and Kashmir, the Concessionaire of the Project, a subsidiary Company, has made an assessment of the damage to the project materials and assets located at the site amounting to ₹ 141.51 crore and has lodged insurance claims of ₹ 141.51 crore with the insurers. The management of the Company, considering the insurance claim in this regard, is confident that no consequential material adjustment for loss of project materials and assets, will be required. In view of pending final assessment, We are unable to comment on the extent of adjustment on account of such loss.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the paragraph 1 and possible effects of the matter described in the paragraph 2 of the Basis for Qualified Opinion paragraph above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015 and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note 33 to the financial statements in connection with the existence of material uncertainties over the realisability of certain construction work in progress, trade receivables and loans and advances aggregating to ₹ 580.78 crores, which are subject matters of arbitration proceedings/negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings and the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues.

Our report is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the effects of the matters described in the basis for Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - d. Except for the effects of the matters described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. The matters described in the Basis for Qualified Opinion and under Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f. On the basis of the written representations received from the directors as on March 31, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act; and
 - g. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph and under the annexure referred to in paragraph 1 of Report on other Legal and Regulatory requirements;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us,
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27 to the financial statements;
 - ii. except for the effects of matters described in the basis for qualified opinion paragraph, the Company has made provision as at March 31, 2015, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. there were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund for the year ended March 31, 2015.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Refer to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

- (i) (a) The Company has maintained proper records showing particulars, including quantitative details and situation of fixed assets. Where assets have been moved between locations of the company is in the process of carrying out the necessary updation to the records.
- (b) The company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and nature of its assets. In accordance with this programme, certain fixed assets were verified during the year. While the reconciliation of the fixed assets verified with the books are currently in progress, in the opinion of the management the discrepancies if any are not expected to be material.
- (ii) (a) According to the information and explanations given to us, the management has conducted physical verification of inventory as at the year end. In our opinion, the frequency of verification of inventory needs to be increased to be adequate in relation to the size of the company and nature of its business.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- (c) While the company has maintained proper records of inventory, we are of the opinion that, the procedures for updating these records needs to be further strengthened keeping in view the nature and scale of its operations. However, the management has carried out physical verification of the inventories and the discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us, the Company has granted unsecured loans to Company's covered in the Register maintained under Section 189 of the Companies Act, 2013. In respect of such loans, having regard to the rollover of the loans.
- (a) The receipt of principal amount and interest, wherever stipulated, is regular;
- (b) There is no overdue amount of more than ₹ one lakh remaining outstanding as at the year end.
- (iv) In our opinion and according to the information and explanations given to us, and having regard to the explanation that purchases of certain items of inventories, fixed assets and sale of services are for the Company's/buyer's specialized requirements, and suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, with regard to purchase of inventories, fixed assets and sale of services. During the course of audit, we noted in certain instances, that the underlying supporting documentation needs to be further strengthened with respect to certain purchases of inventories and services and sale of services. However, based on other alternative existing controls, in our opinion, the same did not result in a major weakness in internal control. The Management has taken steps to strengthen the supporting documentation subsequent to the yearend.
- (v) According to the information and explanation given to us, the company has not accepted any deposit within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder to the extent notified.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Rules made by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Investor Educational and Protection Fund, Wealth Tax and other material statutory dues have been generally regularly deposited during the year by the company with the appropriate authorities. However, undisputed dues in respect of Provident Fund, Employees State Insurance, Income tax deducted at source, Works contract Tax deducted at source, Sales tax and Service Tax, have not been regularly deposited with the appropriate authorities and there have been serious delays in number of cases. As explained to us, the company did not have any dues on account of Excise Duty and custom duty. other material statutory dues that were in arrears as at 31 March 2015 for a period of more than six months from the date they became payable, except for Income Tax deducted at source, Work Contract Tax deducted at sources by the company, sales Tax and Service Tax as set out in Appendix I. As explained to us, the company did not have any dues on account of Excise Duty.
- (b) According to the information and explanation given to us, there are no dues of customs duty and Wealth Tax which have not been deposited with the appropriate authorities on account of any dispute. However, the company disputes the dues in respect of Sales tax, Service Tax and Income Tax as set out in Appendix II
- (c) There were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.
- (viii) Without considering the consequential effects, if any, of the matters stated in the basis for qualified opinion paragraph of our report, in our opinion, The accumulated losses of the company are more than fifty percent of its net worth. The company has incurred cash losses during the financial year covered by our Audit and in the immediately preceding financial year.
- (ix) In our opinion and according to the information and explanations given to us, except for the dues stated in Appendix III the company has not defaulted in repayment of dues to its bankers. The company did not have any outstanding debentures or dues to any financial institutions during the year.
- (x) According to the information and explanations given to us, the Company has given guarantee for loans taken by subsidiaries from banks and financial institutions, the terms and conditions whereof, in our opinion, are not prima facie prejudicial to the interest of the Company.
- (xi) In our opinion, the Company has applied the term loans for the purpose for which these loans were obtained.
- (xii) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the period.

Notes to financial statements

1. Company overview

Ramky Infrastructure Limited ("the Company") is an integrated construction, infrastructure development and management company headquartered in Hyderabad, India. The Company diversified in a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by RIL, joint venture partners and respective Governments.

2. Significant accounting policies

2.1 Basis of preparation of financial statements

The financial statements are prepared under historical cost convention in accordance with the generally accepted accounting principles in India ("Indian GAAP") and comply in all material respects with the Accounting Standards specified under Section 133 of the Companies Act 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 and other pronouncements of the Institute of Chartered Accountants of India ("ICAI"). The accounting policies applied by the Company are consistent with those used in the previous year, unless otherwise stated.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company and as per the guidance as set out in the Schedule III to the Companies Act, 2013.

Operating cycle for the business activities of the Company covers the duration of the specific project/contract/project line/service including defect liability period, wherever applicable and extends up to the realizations of receivables (including retention money) within the agreed credit period normally applicable to the respective project.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses during the period of account. Examples of such estimates include contract costs expected to be incurred to complete construction contracts, provision for doubtful debts, provision for foreseeable losses, income taxes and future obligations under employee retirement benefit plans. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.3 Inventories

(i) Inventories are carried at the lower of cost and net realisable value.

(ii) Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:

(a) **Materials and supplies:** on a weighted average method.

(b) **Contract work-in-progress:** Work-in-progress for projects under execution as at balance sheet date are valued at cost less provision, if any, for estimated losses. The costs of projects in respect of which revenue is recognised under the Company's revenue recognition policies but have not been billed are adjusted for the proportionate profit recognised. The cost comprises of expenditure incurred in relation to execution of the project. Provision for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on current estimates.

2.4 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

2.5 Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured.

Revenue from long term construction contracts is recognised on the percentage of completion method as mentioned in Accounting Standard (AS) 7 "Construction contracts" notified by the Companies Accounting Standards Rules, 2006. Percentage of completion is determined on the basis of physical proportion of work completed and measured at the balance sheet date as compared to the overall work to be performed on the projects as in the opinion of the management, this method measures the work performed reliably. However, profit is not recognised unless there is reasonable progress on the contract. Where the probable total cost of a contract is expected to exceed the corresponding contract revenue, such expected loss is provided for.

Dividend income is recognised when the unconditional right to receive the payment is established. Interest income is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

2.7 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes purchase price, non-refundable taxes, duties, freight and other incidental expenses related to the acquisition or installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Depreciation on fixed assets is provided based on the useful life of the assets as estimated by the management which coincides with rates prescribed in Schedule II to the Companies Act, 2013 except the following which are depreciated based on useful life determined by the Company.

Name of the asset	Estimated useful life
Shuttering materials	5 years
Pump sets	5 years
Vibrators and needles	5 years

2.8 Foreign exchange transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised in the statement of profit and loss. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

2.9 Derivative instruments and hedge accounting

The Company uses foreign exchange forward contracts to mitigate its risk of changes in foreign currency exchange rates and does not use them for trading or speculative purposes.

The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract. The exchange difference is calculated and recorded in accordance with AS-11 (revised). The exchange difference on such a forward exchange contract is calculated as the difference of the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period and the corresponding foreign currency amount translated at the later of the date of inception of the forward exchange contract and the last reporting date. Such exchange differences are recognised in the statement of profit and loss in the reporting period in which the exchange rates change.

2.10 Government Grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt.

Where the government grants are of the nature of promoter's contribution and no repayment is ordinarily expected in respect thereof, the grants are treated as capital reserve which can be neither distributed as dividend nor considered as deferred income.

Where the government grants relates to specific fixed assets are treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to the depreciation charge over the useful life of the related asset.

2.11 Investments

Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

2.12 Employee benefits

Contributions payable to the recognised provident fund, which is a defined contribution scheme, are charged to the statement of profit and loss on accrual basis. Contributions to superannuation fund, which is a defined contribution scheme, are made at pre-determined rates to the Life Insurance Corporation of India on a monthly basis. Employee gratuity and long term compensated absences, which are defined benefit schemes, are accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary and are charged to the statement of profit and loss. All actuarial gains and losses arising during the year are recognised in the statement of profit and loss.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition/construction of the qualifying asset are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.14 Leases

Leases where the lessor effectively retains substantially all the risks and rewards of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.15 Earnings per share

The basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

2.16 Taxation

Income tax expense comprises current tax, deferred tax and Minimum Alternative Tax. The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.17 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable

amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of amortised historical cost.

2.18 Accounting for interest in joint ventures

In respect of work sharing joint venture arrangements revenues, expenses, assets, liabilities and contingent liabilities are accounted for in the Company's books to the extent work is executed by the Company.

In respect of jointly controlled entities, the share of profits or losses is accounted as and when dividend/share of profit or loss is declared by the entities.

2.19 Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

30. (Loss)/earning per share (EPS):

The computation of earnings/(loss) per share is set out below:

Particulars	Year ended 31 March 2015	Year ended 31 March 2014
Amount of Net (loss)/profit for the year attributable to equity shareholders (₹ in crores)	(445.48)	(432.11)
Weighted average number of equity shares for basic EPS (Nos)	57,197,791	57,197,791
Weighted average number of equity shares for diluted EPS (Nos)	57,197,791	57,197,791
Face value per share (Rs)	10	10
Basic and diluted EPS*	(77.89)	(75.55)

*The Company has no dilutive instruments during the year ended March 31, 2015. As such Diluted Earnings per share equals to Basic Earnings per share.

31. As at March 31, 2015, the Company has recognized deferred tax asset aggregating to ₹ 409.08 Crore including an amount of ₹ 209.88 crore recognized during the year on account of timing differences on unabsorbed depreciation, business losses and other timing differences incurred by the Company during the year. Based on unexecuted orders on hand, which in the opinion of the management does meet the criteria of establishing the virtual certainty of sufficient future taxable income for realisation of deferred tax assets as enunciated in Accounting Standard 22 "Accounting for Taxes on Income" (AS 22). (refer note 14)
32. During the year, Company's road project, at Srinagar in Jammu and Kashmir, has impacted due to the floods. The insured concessionaire of the Project, a subsidiary Company, has lodged a claim of ₹ 141.51Crore for the damage to the project materials and assets located at the site with the insurers. After an initial assessment/survey, an amount of ₹ 14.99Crore was released by the insurer on provisional basis and the same was received by the company being a principal contractor. Pending final settlement of claim, no adjustment has been made in the financial statements for the year. The management of the company does not expect any material adjustment for loss to be provided for in this respect.
33. During the year ended 31 March 2015, an amount of ₹ 580.78 crores (including amount pertaining to advances, retention money, contract work-in-progress and performance bank guarantees invoked) is receivable from customers against the contracts not been pursued on account of foreclosure by the Company/disputes with customers. The Management of the Company, keeping in view the long term nature of the contracts, terms and condition implicit in these contracts and the ongoing discussion based on which steps to recover are currently in process, is confident of recovering the amount as they are contractually tenable.
34. During the year the Company has incurred a Net Loss of ₹ 445.48 Crore resulting into accumulated losses of ₹ 276.72 Crore and erosion of its reserves. The Company has obligations towards borrowings aggregating to ₹ 1,565.13 Crore including an amount of ₹ 1383.61 crore falling due over next twelve months period, obligations pertaining to operations including unpaid creditors and statutory dues as at March 31, 2015. These matters require the Company to generate additional cash flows to fund the operations as well as other statutory obligations notwithstanding the current level of low operating activities. The Company has plans to divest its stake in certain subsidiaries undertaking BOT projects for generation of cash flows and during the year, approached lender Bankers with a scheme seeking certain reliefs in relation to repayment timelines of loans and accumulated unpaid interest which was approved by the Bankers with certain conditions. The Company is confident of implementing the divestment and approved restructuring scheme with lenders and meeting its obligations in due course of time.
35. During an earlier year ended March 31, 2013 a search and seizure operation under section 132 of the Income Tax Act, 1961 was carried out by the Income Tax Authority on the Company's premises. The Company had accepted for additional disallowances and filed revised returns for the respective previous year and accounted respective tax expenses of ₹10.78 Crore. Further, the Company made a provision for income tax aggregating to ₹ 66.56 crore during financial year ended March 31, 2012, on account of disallowance of the deductions claimed by the Company under Section 80-IA (4) of the Income Tax Act, 1961 relating to assessment years 2003-04 to 2013-14. During the year, based on the centralized assessment for the financial years upto 2011-12, a refund of ₹ 51.89 crores (including ₹ 11.99 crores for interest) as ascertained by department, has been accounted for during the year ended March 31, 2015. This has resulted into reversal of provision of income tax amounting to ₹ 74.62 crores, including ₹ 62.47 Crore directly credited to the surplus in statement of profit and loss account balance under "Reserve and Surplus" for the year ended March 31, 2015. (Refer Note 4)
36. Prior period expenses' aggregating to ₹ 33.64 Crore represents charge of depreciation on shuttering material amounting to ₹ 15.80 Crore and unrealizable VAT receivable recognized in earlier years amounting to ₹ 17.84 Crore. (Refer Note 26)
37. In accordance with the Companies Act, 2013, the Company has revised the useful life of its fixed assets to comply with the useful life as mentioned in the schedule - II of the said Act. As per the transitional provisions, the Company has adjusted ₹ 3.41 Crore (net of deferred tax of ₹ 1.31 crore) from the opening balance of retained earnings. (Refer Note 4)

Independent Auditors' Report

The Members of

RAMKY INFRASTRUCTURE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **RAMKY INFRASTRUCTURE LIMITED** (hereinafter referred to as "the Holding Company" or "the Company"), its subsidiaries (Holding Company and its subsidiaries together referred to as "the group"), its associates and jointly control entities which comprising the consolidated Balance sheet as at March 31, 2015, the consolidated Statement of profit and loss and the consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group, its associates and jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group its associates and jointly controlled entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's

preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in subparagraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

We refer to:

1. Note 35 of the consolidated financial statements with regard to recognition of deferred tax assets amounting to ₹ 409.08 Crore, on unabsorbed depreciation, business losses and other timing differences incurred by the Company. Based on unexecuted orders on hand, the Management is confident that sufficient future taxable income will be available against which such deferred tax assets will be realised. However, in our opinion, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, "Accounting for Taxes on Income" (AS 22). Had the aforesaid deferred tax assets not been recognised, loss after tax for the year ended would have been higher by ₹ 409.08 Crore.
2. Note 36 of the consolidated financial statements with regard to impact of floods on one of the Holding Company's project in Srinagar, Jammu and Kashmir, the Concessionaire of the Project, a subsidiary Company, has made an assessment of the damage to the project materials and assets located at the site amounting to ₹ 141.51 crore and has lodged insurance claims of ₹ 141.51 crore with the insurers. The management of the Company, considering the insurance claim in this regard, is confident that no consequential material adjustment for loss of project materials and assets will be required. In view of pending final assessment, We are unable to comment on the extent of adjustment on account of such loss.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the paragraph 1 and possible effects of the matter described in the paragraph 2 of the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group, its associates and jointly controlled entity as at March 31, 2015 and of their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matters

1. Attention to Note 37 to the consolidated financial statements in

connection with the existence of material uncertainties over the realisability of certain construction work in progress, trade receivables and loans and advances aggregating to ₹ 580.78 crores, which are subject matters of arbitration proceedings/negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings and the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues.

2. Attention is invited note 41(1) (a) and 41(1) (b) to the consolidated financial statements in respect of M/s Ramky Pharma City (India) Limited ("RPCIL"), a subsidiary, whereby the auditors have reported that
 - a. the uncertainty in connection with the charge sheet filed by Central Bureau of Investigation (CBI) and attachment order of the Enforcement Directorate in respect of certain assets of the company. The management believes that it has complied with the provisions of the concession agreement. Accordingly, any consequential financial impact of the said regulatory action will be known only when the matter is resolved.
 - b. in respect of the insurance claim filed by the Company, towards loss caused by HUDHUD cyclone. The consequential financial impact of the said loss will be known only the insurance claim is settled.
3. Attention is invited to note 41 (2) to 41 (8) to the consolidated financial statements in respect of contract terminated/foreclosed by certain subsidiaries and no business being carried out by a subsidiary and no business in hand which affect the going concern assumption of those companies.
4. Attention is invited to 32 to the consolidated financial statements in respect of revenue and receivables of Rs 408.96 crores, recognised on the basis of fair value of consideration for construction services and the effective interest rate in the case of financial assets covered under service concession arrangements, having regard to the contractual provisions, the evaluations of the future operating and maintenance costs and the overlay/renewal costs and the timing thereof as budgeted by the Management.

Our opinion on the consolidated financial statements is not qualified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Other matters

- a. The accompanying consolidated financial statements include total assets of ₹ 3084.05 crore (net of elimination) as at March 31, 2015, and revenues from operation and net cash inflows of ₹ 564.39 crore (net of elimination) and ₹ 78.16 crore respectively for the year ended on that date, in respect of 22 subsidiaries and 3 jointly controlled entity, which have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Further, the consolidated financial statements also include the Company's share of net loss of 0.11 crore for the year ended March 31, 2015, in respect of a associates, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Further, consolidated financial statement includes unaudited

consolidated financial statements of three foreign subsidiary, including two step down subsidiaries, the consolidated net assets of these three subsidiaries as at March 31, 2015 and their consolidated net result included in the consolidated financial statement amounted to ₹ 99.28 Crore and ₹ 37.21 Crore negative respectively. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and jointly controlled entity, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, associates and jointly controlled entity, is based solely on the reports of such other auditors.

- b. The financial statements of an associate, having net loss of ₹ 2.23 crores (i.e. holding company's share) for the previous year ended March 31, 2014, have not been consolidated during the current year ended 31 March 2015.
- c. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Refer to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' Section of our report of even date)

Ramky Infrastructure Limited ('Holding Company') and its subsidiaries, associates and joint controlled entity incorporated in India and to whom the provisions of the Order apply (together referred to as "the Covered entities" in this report). Our reporting, hereunder, in so far as it relates to the aforesaid subsidiaries, jointly controlled entity and associates is based solely on the reports of the other auditors who audited the financial statements of these subsidiaries, jointly controlled entity and associates.

- (i) (a) The Holding Company and covered entities, wherever applicable, have maintained records showing particulars including quantitative details and situation of fixed assets. However, comprehensive description of assets and current locations are yet to be incorporated in the assets records.
- (b) Fixed assets were physically verified by the holding company and covered entities during the year in accordance with a program of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain fixed assets were verified during the year. While the reconciliation of the fixed assets verified with the books are currently in progress, in the opinion of the management the discrepancies, if any, are not expected to be material.
- (ii) (a) The management of the holding Company and covered entities, wherever applicable, have conducted physical verification of inventory at reasonable intervals during the year. In our opinion, in case of Holding Company, the frequency of verification of inventory needs to be increased to be adequate in relation to size of company and nature of its business. In case of 'Ramky multi Product Industrial Park Limited' the other auditors have reported that, due to special nature of inventories carried by the said Company as on balance sheet date, does not need physical verification.
- (b) Read with (ii) (a) above, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Covered entities and the nature of their business except in case of Holding Company where such procedures of physical verification of inventories followed by the management, needs to be further strengthened, to commensurate with the size of the Company and the nature of its business.
- (c) Read with (ii) (a) above, the Covered entities are maintaining proper records of inventory and no material discrepancies were noticed on physical verification. However, in respect of the Holding Company we are of the opinion that the procedure for updating these records needs to be further strengthened keeping in view the nature and scale of its operation. The management has carried physical verification of the inventories and the discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in the books of account.
- (iii) According to the information and explanations given to us and the other auditors of covered entities, the Holding Company has granted loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013. In respect of such loans having regard to the rollover of the loans,
 - a. the receipts of principal amount and interest, wherever stipulated, is regular
 - b. there are no overdue amount in excess of one lakh remaining outstanding as at the year-end.
- (iv) In our opinion and as per the opinion of the other auditors of covered entities and according to the information and explanations given to us and the other auditors, having regard to the explanations that purchase of certain items of inventories, fixed assets and sale of services are for the Company's/Buyer's specialized requirements, and suitable alternative sources are not readily available for obtaining comparative quotations, there is an adequate internal control system commensurate with the size of the Holding Company and the Covered entities and the nature of businesses, for the purchase of inventory and fixed assets and for the sale of goods and services, wherever applicable to the nature of the business. During the course of audit by us and by the other auditors, no major weakness was observed or continuing failure to correct any major weakness in the internal control system in respect of these areas.
- (v) The Holding Company and the Covered entities have not accepted any deposits any deposit within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder to the extent notified.
- (vi) According to the information and explanations given to us and the other auditors of the covered entities, in our opinion and the opinion of the other auditors, the Holding Company and the covered entities, prima facie, made and maintained the prescribed cost records pursuant to the Rules made by the Central Government under Section 148(1) of the Companies Act, 2013. Neither we nor the other auditors have, however, made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and the other auditors of the covered entities, the Holding Company has not been regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service-tax, cess and other material statutory dues, as applicable with the appropriate authorities. There have been significant delays in a large number of cases in depositing these dues with the appropriate authorities. As informed to us, the company did not have any dues on account of Excise duty and Custom duty. Further respective auditors of Ramky Multi Product Industrial park Limited, Ramky Towers Limited and Ramky Enclave limited have reported that no undisputed statutory dues except ₹ 0.62 Crore, ₹ 2.85 Crore and ₹ 0.30 crore respectively in respect of income tax/income deducted at source, were outstanding as at March 31, 2015 for a period of more than six months from the date they become payable. In case of holding company, amount of undisputed statutory dues which were outstanding as at March 31, 2015 for a period of more than six months from the date they became due are given in Appendix-1 to this report.
 - (b) According to the records of the Holding Company and the Covered entities, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess on account of any dispute, are as given in Appendix 2 to this report.
 - (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and the Covered entities.

- (viii) Without considering the consequential effects, if any, of the matter(s) stated in Basis of Qualified opinion paragraph of our auditors' report, the accumulated losses of the Holding Company at the end of the financial year are less than fifty per cent of its net worth but it had incurred cash losses in the financial year covered by our audit and immediately preceding financial year. Further, on the basis of our audit and the reports of other auditors who audited the financial statements of certain Covered entities (a) some of the Covered entities have been incorporated for less than five years and hence we are not required to comment under clause (viii) of the Order, (b) some Covered entities have accumulated losses less than fifty percent of their respective net worth, (c) some Covered entities have incurred cash losses while other haven't incurred cash losses in the current year, (d) some Covered entities have incurred cash losses while other haven't incurred cash losses in the immediately preceding financial year, and (e) some Covered entities have incurred cash losses while other haven't incurred cash losses in the current and immediately preceding financial year.
- (ix) In our opinion and the opinion of other auditors and according to the information and explanations given to us and the other auditors, the Holding Company and some covered entities have delayed in repayment of dues to financial institutions and banks. The Holding Company and the covered entities have not issued debentures. The details of the default are given in Appendix-III to this report.
- (x) According to the information and explanations given to us, wherever applicable, the Holding Company and the Covered entities have given guarantee for loans taken by others from banks and financial institutions, the terms and conditions whereof, in our opinion, are not prima-facie prejudicial to the interest of the Holding Company and the Covered entities.
- (xi) In our opinion and the opinion of other auditors and according to the information and explanations given to us and the other auditors, wherever applicable, term loans were applied by the Holding Company and the Covered entities during the year for the purpose for which the loans were obtained.
- (xii) To the best of our knowledge and according to the information and explanations given to us and other auditors no fraud on or by the Holding Company and the Covered entities have been noticed or reported during the year. However, as reported by the auditors of 'Ramky Pharma City (India) Limited, during the previous year a charge sheet has been filed by CBI with CBI court, Nampally, Hyderabad alleging certain irregularities by that subsidiary Company pertaining to reduction of green belt area, the said auditors were unable to reliably quantify the impact of such irregularities and the consequential financial impact on the said Company which will be known when matter is resolved.

Annual Report 2014-15 | 85

Notes to the consolidated financial statements

1. Corporate information

Ramky Infrastructure Limited ("the Company") is an integrated construction, infrastructure development and management company headquartered in Hyderabad, India. The Company its subsidiaries and jointly controlled entities (collectively referred to as the "Group") diversified in a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company, joint venture partners and respective Governments.

2. Basis of preparation of financial statements

The consolidated financial statements of the Company and its subsidiaries and jointly controlled entities (together the 'Group') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") /Companies Act, 1956 ("the 1956 Act"), as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company and as per the guidance as set out in the Schedule III to the Companies Act, 2013.

2.1 Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the consolidated financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.2 Principles of consolidation

The consolidated financial statements relate to Ramky Infrastructure Limited ("the Company") and its subsidiary companies, associates and jointly controlled entities (the "Group"). The Consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances / transactions and resulting unrealised profits in full. Unrealised losses resulting from intra-group transactions have also been eliminated in full as per AS-21 "Consolidated Financial Statements" issued under Companies (Accounting Standards)

Rules, 2014. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the subsidiaries.

- The consolidated foreign subsidiary has been identified as non integral operations in accordance with the requirements of AS -11 "The Effect of Changes in Foreign Exchange rates" which is effective for the accounting periods commencing on or after 1 April 2004. In accordance with AS-11, the financial statements of such non-integral foreign operations are translated into Indian rupees as follows:
 - ◆ All assets and liabilities, both monetary and non-monetary, are translated using the closing rate.
 - ◆ Revenue items are translated at the respective monthly average rates.
 - ◆ The resulting net exchange difference is credited or debited to a foreign currency translation reserve.
 - ◆ Contingent liabilities are translated at the closing rate.
- Minority interest in the net assets of consolidated subsidiaries consists of: (a) the amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and (b) the minorities' share of movements in equity since the date the parent subsidiary relationship came into existence.
- The Group accounts for investments by the equity method of accounting in accordance with AS-23 "Accounting for Investment in Associates in Consolidated Financial Statements" issued under Companies (Accounting Standards) Rules, 2014 where it is able to exercise significant influence over the operating and financial policies of the investee. Inter company profits and losses have been proportionately eliminated until realised by the investor or investee.
- Interest in jointly controlled entities have been consolidated by using the 'proportionate consolidation' method as per Accounting Standard (AS) 27 - 'Financial Reporting of Interests in Joint Ventures' notified by the Companies (Accounting Standards) Rules, 2014.
- The excess / deficit of cost to the parent company of its investment in the subsidiaries, associates and jointly controlled entities over its portion of equity at the respective dates on which investment in such entities were made is recognised in the financial statements as goodwill / capital reserve. The parent company's portion of equity in such entities is determined on the basis of the book values of assets and liabilities as per the financial statements of such entities as on the date of investment and if not available, the financial statements for the immediately preceding period adjusted for the effects of significant transactions, up to the date of investment.
- The financial statements of the subsidiaries used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31 March 2015.

Notes to the consolidated financial statements (Continued)

- The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent company for its separate financial statements.
- The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

2.3 Inventories

- Inventories are carried at the lower of cost and net realisable value.
- Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:
 - Materials and supplies:** on a weighted average method.
 - Uncertified contract work-in-progress:** at cost
 - Inventories:** In case of the real estate activity, the inventories comprise of lands, development of lands, plots, houses and flats. It is valued at direct development cost including related incidental expenditure attributable to the said property to bring it to the marketable stage.

2.4 Consolidated Cash flow statement

Cash flows of the Group are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

2.5 Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.6 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes purchase price, non-refundable taxes, duties, freight and other incidental expenses related to the acquisition or installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Depreciation on fixed assets is provided using the straight-line method at the rates specified in Schedule II to the Companies Act, 2013, except for construction accessories included in plant and equipment which are depreciated at rates given below based on useful life determined by the Management. In the opinion of the Management, the rates specified in Schedule II reflect the economic useful lives of the all other assets. Intangible assets are amortised on straight-line basis over their estimated useful lives not exceeding ten years from the date when the assets is available for use.

Name of the asset	Estimated useful life
Shuttering materials	5 years
Pump sets	5 years
Vibrators and needles	5 years

Depreciation is calculated on a pro-rata basis from/upto the date the assets are purchased/sold. Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.

2.7 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and revenue can be reliably measured.

Revenue from long term construction contracts is recognised on the percentage of completion method as prescribed in Accounting Standard (AS) 7 "Construction contracts" notified by the Companies Accounting Standards Rules, 2014. Percentage of completion is determined on the basis of physical proportion of work completed and measured at the balance sheet date as compared to the overall work to be performed on the projects as in the opinion of the management, this method measures the work performed reliably. However, profit is not recognised unless there is reasonable progress on the contract. Where the probable total cost of a contract is expected to exceed the corresponding contract revenue, such expected loss is provided for.

In case of project related development activities, revenue is recognised by reference to the stage of completion of the development activity as at the balance sheet date as laid down in "Guidance note on Recognition of Revenue by Real Estate Developers" read with Accounting Standard -7 "Accounting for Construction Contracts". The stage of completion is determined at the proportion cost incurred to date to the total estimated cost of the project.

The Group builds infrastructure facilities (roads) under public-to-private Service Concession Arrangements (SCAs) which it operates and maintains for periods specified in the SCAs. These projects that are in the nature of 'Build Operate and Transfer' (BOT) meet the characteristics of a public-to-private service concession arrangement. The Group recognises and measures revenue in accordance with Accounting Standard (AS) 7 'Construction Contracts' and Accounting Standard (AS) 9 'Revenue Recognition' for the construction or upgrade and operating and maintenance services it performs under the contract or arrangement as prescribed in the Exposure Draft Guidance note on Accounting for Service Concession Arrangements.

The financial asset model applies when the operator has an unconditional right to receive cash or another financial asset from the grantor. The Group has recognised a financial asset to the extent that it has an unconditional contractual right to receive cash or another financial asset from the grantor for the construction and operation and maintenance services. Such financial assets are classified as "Receivables under Service Concession Arrangements". Interest income arising on account of the Receivables under Service Concession Arrangements is recognised in the statement of profit and loss using the effective interest rate method.

The intangible asset model applies where the operator is paid by the users or where the concession grantor has not provided a contractual

guarantee in respect of the recoverable amount. The intangible asset corresponds to the right granted by the concession grantor to the operator to charge users of the public service. The Group has recognised an intangible asset to the extent that it has an unconditional contractual right to receive the revenue from toll collections from the users of the public service developed by the group. Such intangible assets are classified as "Concession intangibles" under fixed assets.

Income from other operation and maintenance contracts is recognised on the basis of utilisation of the facility by the clients and is based on the agreements entered into with the clients.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits and interest bearing securities is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

2.8 Foreign currency transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised in the statement of profit and loss. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

2.9 Derivative instruments and hedge accounting

The Group uses foreign exchange forward contracts to mitigate its risk of changes in foreign currency exchange rates and does not use them for trading or speculative purposes.

The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract. The exchange difference is calculated and recorded in accordance with AS-11 (revised). The exchange difference on such a forward exchange contract is calculated as the difference of the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period and the corresponding foreign currency amount translated at the later of the date of inception of the forward exchange contract and the last reporting date. Such exchange differences are recognised in the statement of profit and loss in the reporting period in which the exchange rates change.

2.10 Government Grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt. Where the government grants are of the nature of promoter's contribution and no repayment is ordinarily expected in respect thereof, the grants are treated as capital reserve which can be neither distributed as dividend nor considered as deferred income.

Where the government grants relates to specific fixed assets are

treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to the depreciation charge over the useful life of the related asset.

2.11 Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

2.12 Employee benefits

Contributions payable to the recognised provident fund, which is a defined contribution scheme, are charged to the statement of profit and loss on accrual basis. Contributions to superannuation fund, which is a defined contribution scheme, are made at pre-determined rates to the Life Insurance Corporation of India on a monthly basis. Employee gratuity and long term compensated absences, which are defined benefit schemes, are accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary and are charged to statement of profit and loss. All actuarial gains and losses arising during the year are recognised in the statement of profit and loss.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition/ construction of the qualifying asset are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.14 Segment reporting

The Group's operating businesses are organized and managed separately according to the nature of business and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs. General corporate income and expense items are not allocated to any business segment.

2.15 Leases

Leases where the lessor effectively retains substantially all the risks and rewards of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.16 Earnings per share

The basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. The Company does not have any potentially dilutive equity shares.

2.17 Taxation

Income tax expense comprises current tax, deferred tax and Minimum Alternative Tax.

Current tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Group.

Deferred tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at the balance sheet date have been arrived at after setting off deferred tax assets and liabilities where the Group has a legally enforceable right to set-off assets against liabilities, and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.18 Intangible assets and amortisation

Intangible assets, other than those covered by SCAs, comprise of software. Intangible assets are reported at acquisition cost with

deductions for accumulated amortisation and impairment losses, if any. Intangible assets are amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use.

2.19 Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset (including goodwill) or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. For an asset or group of assets that does not generate largely independent cash in flows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined; if no impairment loss had been recognised.

2.20 Provisions and contingent liabilities

The Group creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

32. Service Concession Arrangements

The Company had adopted the Exposure Draft of the Guidance Note on Accounting for Service Concession Arrangements for certain construction service contracts that in substance are Build, Operate and Transfer (BOT) contracts. Management believes that in the absence of an existing prescribed accounting standard in India on accounting for such contracts, developing and applying an accounting policy similar to the accounting treatment prescribed by the Exposure Draft of the guidance note is relevant to the economic decision making needs of users and reflects the economic substance of such contracts. Further, management also believes that, this results in the financial statements providing reliable and more relevant information.

Description of the arrangements:

The following subsidiaries and jointly controlled entities ("the Concessionaire") of the Company have entered into a services concession arrangement (s) (SCA) with various authorities ("the Grantor") for Design, Construction, Development, Finance, Operation and Maintenance of Road Projects on Build, Operate and Transfer (BOT) basis. As per SCA, the Concessionaire is required to construct the Road, required to operate and maintain the Road and is required to resurface the Road, at its cost and during the period in the manner so defined in the SCA. At the end of the concession period the Concessionaire will hand over the Road to the Grantor for no consideration. The premature termination is permitted only upon the happening of force majeure events or upon the parties defaulting on their respective obligations.

- i. The following are annuity based service concession arrangements. In consideration for performing its obligations under the SCA, the Concessionaire will be entitled to an annuity of predefined sums receivable on dates specified in the annuity payment schedule of the SCA. The Grantor will retain the right to levy and collect fees from users of the Road and to permit advertisements, hoardings and other commercial activity at the Road site. Having regard to the terms of the arrangement, the right to receive annuity has been classified as a financial asset (i.e. "Receivables under the service concession arrangement") in the financial statements.

Ramky Elsamex Hyderabad Ring Road Limited (REHRRL):

REHRRL has entered into a service concession arrangement with Hyderabad Metropolitan Development Authority (HMDA) for a period of fifteen (15) years from commencement date i.e. 27 November 2007 including construction period of two years and six months. The construction activities were completed on 26 November 2009. The SCA does not provide for any renewal of this arrangement.

Jorabat Shillong Expressway Limited (JSEL):

JSEL has entered into a service concession arrangement with National Highway Authority of India (NHAI) for a period of twenty (20) years from commencement date i.e. 12 January 2011 including construction period of three years. The SCA does not provide for any renewal of this arrangement.

Srinagar Banihal Expressway Limited (SBEL):

SBEL has entered into a service concession arrangement with National Highway Authority of India (NHAI) for a period of twenty (20) years from commencement date i.e. 27 June 2011 including construction period of three years. The SCA does not provide for any renewal of this arrangement.

- II. The following is the toll based service concession arrangement. In consideration for performing its obligations under the SCA, the Concessionaire will be entitled to collect toll/user charges from the users of Road. Having regard to the terms of the arrangement, the right to receive toll has been classified as an intangible assets/intangible assets under development (i.e. "Concession intangibles") under the head fixed assets in the financial statements.

N.A.M. Expressway Limited (NAMEL):

NAMEL has entered into a service concession arrangement with Andhra Pradesh Road Development Corporation (APRDC) for a period of twenty four (24) years from commencement date i.e. 18 January 2011 including construction period of two years and six months. The SCA does not provide for any renewal of this arrangement. NAMEL will also be entitled to a "Grant" by way of cash support from APRDC and Central Government.

- III. The following is the annuity cum toll based service concession arrangement. In consideration for performing its obligations under the SCA, the Concessionaire will be entitled to an annuity of predefined sums receivable on dates specified in the annuity payment schedule of the SCA and to collect toll/user charges from the users of Road. Having regard to the terms of the arrangement, the right to receive annuity has been classified as a financial asset (i.e. "Receivables under the service concession arrangement") in the financial statements and the right to receive toll has been classified as an intangible asset/intangible assets under development (i.e. "Concession intangibles") under the head fixed assets in the financial statements.

Sehore Kosmi Tollways Limited (SKTL):

During the previous year, SKTL has entered into a service concession arrangement with Madhya Pradesh Road Development Corporation Limited (MPRDC) for a period of fifteen (15) years from commencement date i.e. 22 February 2012 including construction period of two years. The SCA does not provide for any renewal of this arrangement.

1. Ramky Pharma City (India) Limited

- a) During the Financial Year 2012-13 a Charge sheet has been filed by CBI against company with the CBI court, Nampally, Hyderabad alleging certain irregularities by the company pertaining to reduction of Green belt area and also the Company has received a provisional attachment order under Section 5 (1) of the Prevention of Money Laundering Act, 2002 from Enforcement Directorate (ED) dated January 07, 2013 for attachment of assets/properties valued at ₹ 133.74 Crore comprising Land and facilities valuing ₹ 130.54 Crore and Mutual Fund of ₹ 3.20 Crore. During the previous year the adjudicating authority passed a confirmation order of the above provisional attachment order and the company has preferred an appeal before the Appellate Tribunal. In the meantime, the office of Joint Director, Enforcement Directorate, Hyderabad Zonal office has served a Notice for taking the possession of the referred properties under section 8(4) of the PMLA 2002. The company has filed a writ petition before the honourable High court of Andhra Pradesh, Hyderabad seeking for stay of proceedings. The honourable High court of Andhra Pradesh has granted a interim stay of all further proceedings till a stay application is considered and appropriate orders passed by the Appellate authority. On November 20, 2013, the Appellate Tribunal has considered the stay application and stayed the EDs notice. Since the Appellate Tribunal ceased of the matter, the cause in the writ petition does not survive. Hence, the above referred Writ Petition is dismissed. The case is posted for hearing on July 29, 2015 with the Appellate Tribunal. However, Mutual Fund of ₹ 3.20 Crore was transferred in the name of the Directorate of Enforcement. Further on March 26, 2015, the Joint Director, Enforcement directorate, Hyderabad zonal office has passed a provisional attachment order for ₹ 216.18 Crores on the assets of company. The Joint Director has filed a complaint under PMLA before the Adjudicating authority seeking for confirmation of the above provisional attachment order on April 10, 2015. The Adjudicating Authority (AA) has served a show cause notice on April 22, 2015 calling upon to show cause as to why the provisional attachment order shall not be confirmed and directed to appear before the AA on June 15, 2015 and this order is in continuation to the order passed by ED for 133.74 Crores. No adjustments have been made in the financial statements, as the Management believes that the project of the company is being carried out in accordance with the provisions of the Concession Agreement executed between the company and Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) after obtaining the requisite approvals and following the due process of law.
- b) During the month of October there was a loss of ₹ 14,01,00,000/- to the company's properties because of HUD HUD Cyclone. The company lodged the claim before the Insurance company and the same was pending with the Insurance company. Upto 31-03-2015 the company has incurred an amount of ₹ 10,90,95,732/- towards revival and an amount of ₹ 40,00,000/- was received from Insurance company as on account payment. The net amount of ₹ 10,50,95,732/- was shown under Other advances and receivables. The resultant impact was not provided in the books, as the resultant impact will be known only when the claim with the insurance company will be settled.

2. Hospet Chitradurga Tollways Limited (HCTL):

HCTL has entered into a service concession arrangement with National Highways Authority of India (NHAI) for a period of twenty five (25) years from commencement date including construction period of two years and six months. SCA entered by the entity on 19 January 2012. The SCA does not provide for any renewal of this arrangement.

However, HCTL has served a termination notice to NHAI on December 5, 2013 due to delay in availability of land and other statutory clearances, which resulted in increase in the project cost against bid provisions. In turn, NHAI, also served termination notice on 31 December 2013, citing reasons of default on part of HCTL.

During the year, The Company and NHAI have mutually agreed to terminate the Concession Agreement dated January 19, 2012 and signed settlement and close out agreement dated October 31, 2014 and which inter alia provides that the concessionaire agrees and undertake and hereby forgoes any and all claims against the Authority on any account whatsoever related to this Concession Agreement. Similarly the Authority Agrees not to raise any other Claims against the Concessionaire under the Concession Agreement. Further, the concessionaire had paid an amount of ₹ 10.34 Crores to NHAI on 11th October 2014 towards the above amicable Settlement.

Since the company is a project specific company, termination of the project affects the Going Concern nature of the company.
